

Altair Granite

Marshall's Altair Granite is a hard-wearing, strong and durable granite suitable for all product areas such as paving, setts, kerbs, tactile, steps, water management, street furniture or other bespoke specialised masonry items such as veneers for planters or furniture.

This Black Indian granite has a subtle sparkle, giving it a striking look and is available in Flamed, Clear Blast, Blasted or Polished Finishes. All Marshall's granites are fully tested to the appropriate standards in the UK and where relevant UKCA marked in accordance with the latest legislation.
