

Arrento® Encore 600 x 900 x 20 50 Pack

Arrento® Encore is a contemporary, Italian porcelain paving range available in a range of sizes and colours. Inspired by the latest trends, the warm colour tones, complemented by a subtle linear aesthetic, offer a refreshing natural look, making this porcelain perfect for a range of property styles. Look to combine colours and sizes within your project to form different zones, or pair with generous planting to create a space of sanctuary. Arrento® Encore is low maintenance, easy to clean and frost resistant, making it a great option for your garden all year round.

Weathering	Due to the nature of the product scratch marks may appear on the surface during transportation and handling. If such marks appear they will weather away due to the through colour nature of the product. Weathering It should be appreciated that with all products weathering and site conditions can cause shade variation to appear across the surface of individual units. This does not in any way affect the performance of the units and any such variation will diminish over a period of time as the product matures.
