

Granite Eclipse® Paving 18.36m² Project Pack

Granite Eclipse - Graphite

Granite Eclipse - Dark

Granite Eclipse - Light

Use granite eclipse paving to create an extremely durable and modern patio space to enjoy with family and friends. A brushed surface and lightly flamed finish intensifies already vibrant colours whilst also providing excellent slip resistance even when wet.

Create contrast and unique patterns by mixing the light and dark shades from this range. Complementary granite setts can be utilised as a border as a perfect finish to your project.

For those gardens with varying levels, we offer a range of granite steps to create a seamless transition and when combined with Marshalls Drystack veneer it creates a stunning finish.

For installation, see our Eclipse Granite paving installation guide.
