Drivesett Tegula Original Circle
Traditional & Pennant Grey

The classic focal point

The perfect feature to create a truly individual driveway. This versatile circle can be incorporated as a focal point or used to break up uniformity in larger block paved areas. High quality, classic look and performance, with an attractive aged appearance and carefully matched colour choices.

*Manufactured as a feature and will therefore not match exactly with the equivalent black paving colour. For best result, lay with contrasting colours as shown.
