

# PLAYING FIELD

22mm pile

## Playing Field

Design & Install by Waterdale Landscapes, York

## The perfect surface for play

Always Green Playing Field has been developed specifically with the rough and tumble of child's play in mind. The monofilament turf fibres have exceptional split resistance compared to conventional turf fibres. Built to FIFA standards the yarn is not only durable but slide friendly and simply great to play on. The kids will have hours of fun on it and it will last for many years.

Always Green Artificial Grass	Pile Height mm	Width m	Length m	Pile and Thatch
Playing Fields	22	4	25	100% Polyethylene
