A modern aesthetic with permeable properties

The ultimate sustainable driveway option with no additional drainage required and no need for planning permission. Piora Permeable Paving is designed to enable rainwater to percolate directly into the ground below, without overloading the drains, thereby reducing flood risk. Argent Piora has all the design appeal of a contemporary granite-look finish and is available with a range of coordinating, walling and edging features.

Project Pack	Sizes mm (nominal)	No. items/pack	m ² /pack	Colours	Order Select
Large	240 x 160 x 60	108		GR LT DK	✓*
