

Drivesys Flamed Stone

Blue Pennant

Also shown: Edged with Drivesys Riven Stone, Keykerb Large and pathway in Lazaro Marble.

Design and install by Advanced Landscapes Ltd, Preston.

DRIVESYS® FLAMED STONE

Patented Driveway System

Blue Pennant (BP)

Creating a stunning and prestigious driveway

Create an impact with this larger sized concrete system featuring a flamed-effect finish with the prestigious look and feel of Welsh Pennant stone. Realistic Gwrhyd Welsh stone face profiles used with a straight contemporary edge, hardwearing colour and finish, available in five sizes with coordinating Roundtop edges.

To complete every Drivesys driveway, each pack is supplied with the right amount of ready mixed jointing compound, minimising fuss and number of deliveries.

Drivesys blocks come with a protective transportation seal which will remain slightly slippery underfoot until weathered. Once dissipated blocks may appear lighter in colour.

Marshalls recommends the patented Drivesys Driveway system is installed by Marshalls Register Installers.

	Sizes mm (nominal)	No. item/ pack	Area (m ² /pack)	Colours	Order Select
