**Case Studies**
- **Prestwich High Street**
  - **Client:** Cooney Civil Engineering
  - **Contractor:** Cooney Civil Engineering
  - **Project:** Prestwich High Street
  - **Products Used:**
    - Conservation Textured Kerb, Silver Grey
    - Tegula Setts, Traditional
    - Pavedrain, Silver Grey
    - Callisto Setts
  - **Description:**
    - In order to improve the pedestrian experience and create clearly defined loading and parking bays along the route.
    - The exposed aggregates in the kerb can be installed at a variety of heights to provide pedestrians with safe and easy access.
    - The use of kerbs can also promote traffic calming, aiding vehicle drivers.
For radii greater than 12m straights should be utilised.
