Imperial Red Porphyry

Date Created: 26/07/19

A strong red stone, Imperial Red Porphyry is suitable for both pedestrian or vehicular trafficked areas and available in flame textured, fine picked and polished finishes.

It is available for all product areas such as paving, setts, kerbs, tactile, steps, water management, street furniture or other bespoke specialised masonry items such as cladding or planters.

Once used to pave Roman roads throughout Europe, porphyry not only adds a striking aesthetic quality to a range of applications but is renowned for its hard-wearing qualities.

Produced to ISO9001 quality assurance standards, all Marshalls porphyrys are fully tested to the appropriate standards in the UK and are all CE marked in accordance with the latest legislation.

DESCRIPTION

Quarry of Origin Fujian Province, China

Governing Manufacturing

Standards

All data where relevant to be established in accordance with BS EN 1341 : 2012, BS

EN 1342 : 2012 & BS EN 1343 : 2012
