

St Bee's Block Stone

Date Created: 26/07/19

St Bee's block comes from one of Marshalls' portfolio of British stone quarries. This stone is available in block form; perfect for usage by companies that add value to natural stone.

Marshalls own the largest reserves of dimensional stone in the UK, quarried by its specialist minerals division. Marshalls are able to provide blocks suitable for walling, masonry features, roofing, paving and steps, and also more specialised masonry products. For more information, please call 01422 434534

PHYSICAL PROPERTIES
